

British Fiber Optic Connector Company

Overview

We are a British based manufacturer of Copper Cabling Systems, Fibre Optic Products, Racks and Enclosures – deployed in Datacomms, Data Centres, FTTx & Telecom, Broadcasting and Smart Home Applications. We are always interested to work with installation companies that are proactive and keen to work. The company specializes in telecommunications, offering ultrafast fiber optic internet through its Project Lightning network, which serves both residential and business customers. The leading Fiber Optic Connector Manufacturers in United Kingdom are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, view their profiles, and send. Our Fibre Optic solutions are ideal for harsh environments where high speed, high throughput and lightweight reliability are crucial.
