

Complete Distribution Box AW1

Overview

Flush Mounting Distribution Boards up to 24, 26, 40 modules and with Insulation Class 2. SMART DISTRIBUTION BOXES FOR FLEXIBLE BUILDINGS. Wieland is your. Our flexible distribution boxes enable reliable, decentralised signal transmission and power transmission up to protection class IP67 – wherever passive distribution boxes are required. Designed to help electricians install faster, reduce wiring time and avoid costly rewiring on site. By acting as a central hub, they provide controlled power supply to connected devices, ensuring safety. The QDX and CVX range are the best system solution for the installation of all the modular and moulded case circuit breakers, starting with the QDX 1600 main distribution cabinets for the secondary distribution up to 1600A, moving on to the QDX 630 secondary distribution boards (up to 630A) and.
