

# Concealed electrical boxes in the corridor

## Overview

To conceal an electrical box elegantly, consider using a decorative wall piece that is larger than the box, complementing your décor and allowing easy access. Since these metal enclosures are rarely aesthetic, the desire to conceal them is understandable. Any modification, however, must prioritize safety and accessibility. Why Hide Electrical Boxes?

Imagine walking into your living room, everything beautifully arranged, and then—bam! Your eyes land on an electrical box sticking out like a sore thumb. Wallpaper can provide camouflage when sealed for. In this guide, I'm excited to share with you 15 creative and surprisingly simple ways to transform your ugly electrical box from an eyesore into a part of your home you might actually want to show off.
