

Door-mounted power distribution box with integrated lighting

Overview

Surface-mount power distribution box with smoked PC viewing door and brass N/E bars. IP50 indoor protection; clean knock-out entries; DIN-rail pre-installed. ABS enclosure, CE & RoHS. The PDX and TSPE series modular distribution boxes are built for flexible indoor and outdoor applications, offering durable plastic and metal construction for enhanced safety and longevity. With wall-mounted and flush-mounted installation options, they adapt to various settings, ensuring reliable. Eaton's Pow-R-Line Xpert 1X (PRL1X) lighting panelboards provide a compact and flexible solution for electric power distribution with integrated breakers, metering and surge protection. Our solutions enable short planning and realization times and allow optimized. ABB offers a total ev charging solution from compact, high quality AC wall boxes, reliable DC fast charging stations with robust connectivity, to innovative on-demand electric bus charging systems, we deploy infrastructure that meet the needs of the next generation of smarter mobility. ABB's Low. Get our durable and high-quality distribution box. Legrand distribution boards deliver safety, modularity, and reliable power management across residential, commercial, and industrial environments. Engineered for easy maintenance and future-ready upgrades.
