

# Fiber Optic Panel Dark Box Type 86 Module

## Overview

Compact 86-type FTTH fiber panel box for wall mounting, featuring SC/LC compatibility, dust-proof IP45 design, and splice cassette for secure fiber management. It provides efficient fiber access and port output for residential and commercial applications. Fiber optic connectors not included. Now Fibconet not only located in Ningbo, where is the FTTH center, but also have new production center in Jilin, covering area nearly 23000 Sqm, owning 1500. Amazon. com Voluntary 30-Day Return Guarantee: You can return many items you have purchased within 30 days following delivery of the item to you. You can find out more about the. NG4access<sup>®</sup> Cabled Modules available in all module sizes and fiber counts up to 864 fibers NG4access<sup>®</sup> Splice Tray Four sizes of interchangeable Propel fiber pass-through adapter packs provide the breadth of capabilities for virtually any configuration. Suitable for multi type module installation, application in the work area routing subsystem 2.
